

# KEEPING TRADE MOVING

Your business relies on Portsmouth International Port to transport goods across the Channel, so it's really important trade flows easily, which is why we want to make sure you can get on with your journey quickly.

When the UK-EU transition period ends on 31 December we have a plan to manage traffic 24 hours a day, seven days a week. Please allow an extra 30 minutes to your journey time so we can check you are border ready at one of our triage points.

*To prevent delays and avoid cancellations follow these instructions*

All drivers going to **France or Spain** (or dropping trailers bound for France or Spain) will have to show an entry pass when arriving at Portsmouth Port

Special signage will be in place using the lorry and ferry symbol directing you to your nearest **trriage point**

Drivers coming from the north (M3, A34, A3, A303) use the triage point at the **A31** near Winchester SO24 0HU

Drivers coming from the east (A27) use the triage point at **Junction 1 on M275** PO2 8RD

**except  
Channel  
Islands**

- At the triage point you will be asked to show:
  - a valid **ferry booking reference number, (no booking, no entry)**
  - a valid passport
  - any applicable Movement Reference Numbers (MRN)
  - any applicable Transit Accompanying Documents (TAD)
  - any applicable Admission Temporaire/Temporary Admission (ATA) or Transport Internationaux Routiers (TIR) carnets
  - any applicable required documents for animals, plants, firearms, or other specialty goods
- These details will be recorded and if correct you will then be issued with a Port entry pass
- All hauliers without a valid ferry booking or the correct documentation will be redirected out of Portsmouth.
- **Any EU bound vehicle attempting to enter the port without a pass will be turned away.**
