

# Solent Incident and Accident Reporting Form

**What the form is for** - This common reporting form is to be used for maritime incidents that occur in or close to the waters of: ABP Southampton, The Queen's Harbour Master Portsmouth, Portsmouth International Port, Cowes Harbour Commissioners and Langstone Harbour as shown in the chartlet below.

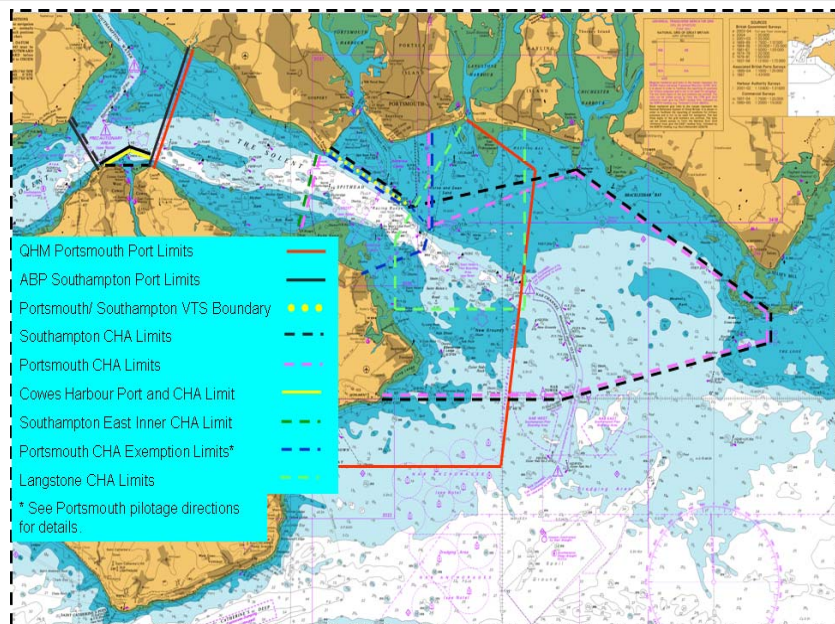

**How to complete the form** - The form can be used to report all types of incident or accident, near miss or potential risk. Sections 1-3 and 11 must be completed followed by the relevant section for the type of incident.

If you are reporting a leisure or recreational incident the shorter reporting format at section 12 can be used. In this case there is no need to fill in sections 1-3 or 11.

**Once the Form is Completed** - Please forward it to the Harbour Master in whose area the incident occurred.

**Provenance** - This form replaces all existing report forms in use by the port authorities mentioned above.

Section	Index Heading
1-3	General Information
4	Close Quarters Situation
5	Grounding
6	Striking/Impact
7	Loss of Anchor and Cable
8	Pollution
9	Accident Report
10	Potential Risk Report
11	Free Text Narrative
12	Leisure/Recreational Incident Short Report

**Section 1 – Type of Incident – Please circle**

Collision  Grounding  Striking  Loss of Anchor  Pollution   
 Accident/Near Miss/Potential Risk  Other (Specify):

Use most relevant section and then the free text at section 11.

**Section 2 - Personal Details:**

Name/ Pilot / PEC number

Address

Phone Number

Email Address

Witness details *(if applicable)*

**Section 3 - General Details:**

Ships Name

Date of incident *(dd/mm/yyyy)*

Time of incident *(24 hr clock)*

Position of incident *(or)*

Position of incident

Direction and rate of tidal stream

Wind speed/direction *(Beaufort)*

Sea State *(Beaufort)*

Visibility *(In miles)*

GRT/NRT

Length/Beam/Draught *(Metres)*

Owners name/Address

Agent name and telephone No

Destination port

Source of position information

Datum selected in GPS

Chart Positions Retained

Actions taken after incident *(own)*

Actions taken after incident *(other)*

**Section 4 – Close Quarters Situation:**

Name of other vessel/object	
Ship's heading at time of incident	
Type of lookout maintained	
Speed/Engine Setting	
Bridge control	Yes <input type="checkbox"/> No <input type="checkbox"/>
Bow/Stern thrusters in use	Yes <input type="checkbox"/> No <input type="checkbox"/>
Steering mode ( <i>Auto/manual/NFU</i> )	
Compass in use ( <i>Mag/Gyro etc...</i> )	
Time/range other vessel was first seen	
Estimated course/speed of other vessel	
True course steered at incident	
Length of time on this course	
Lights/signals displayed ( <i>both vessels</i> )	
Sound signals ( <i>both vessels</i> )	
Use of VHF ( <i>channel and content</i> )	
Use of engines	
Course alterations ( <i>own ship</i> )	
Course alterations ( <i>other ship</i> )	
Other authorities contacted	Time: <input type="text"/> Time: <input type="text"/>
List relevant machinery/equipment defects	
Describe any unusual handling characteristics	

Please sign and date this Section **and continue to section 11:**

Name:	Date:	Signature:
-------	-------	------------

**Section 5 - Grounding:**

Main propulsion  
 Propeller(s)  
 Rudders  
 Ship's heading at time of incident  
 Echo sounder in use  
 Speed/Engine(s) setting  
 Bridge control  
 Bow/Stern thrusters in use  
 Steering mode *(Auto/manual)*  
 Compass in use *(Mag/Gyro etc...)*  
 True course steered at incident  
 Length of time on this course  
 Previous true course steered  
 Length of time on this course  
 Use of engines  
 Engine movements before grounding  
 Cargo carried  
 Dangerous substance carried  
 Bunkers remaining  
 Leakage of fuel/oil  
 How was vessel refloated  
 How long was vessel aground  
 Relevant machinery/equipment defects  
 Any unusual handling characteristics?  
 Tugs in use  
 Other authorities contacted

**Section 6 – Striking/Impact/Collision:**

Object struck			
Ship's heading at time of incident			
Length of time on this course			
Previous true course steered			
Own speed at time of incident			
Estimated course/speed of other vessel			
Previous course/speed of other vessel			
Own main engine propulsion			
Propeller(s)	Type:	How many:	Rotation:
Rudders	Type/Number:		
Own engine(s) setting			
Engine movements prior to collision			
Bridge control	Yes <input type="checkbox"/> No <input type="checkbox"/>		
Bow/Stern thrusters in use	Yes <input type="checkbox"/> No <input type="checkbox"/>		
Steering mode ( <i>Auto/manual</i> )			
Compass in use ( <i>Mag/Gyro etc...</i> )			
Tugs in use	Names		
	Positions & Orientation		
Other authorities contacted	Time		
	Time		
Visual signals made ( <i>own ship</i> )			
Sound signals ( <i>own ship</i> )			
Was tug being watched			
Use of VHF ( <i>channel and content</i> )	(Provide recording or transcripts)		
Cargo/Dangerous substance carried			
Pollution	(Please also complete Section 8)		
List relevant machinery/equipment defects/ handling characteristics			

Please sign and date this Section **and continue to section 11:**

Name:	Date:	Signature:
-------	-------	------------

**Section 7 – Loss of Anchor and Cable:**

Position of lost anchor/cable	
-------------------------------	--

Ship's heading at time of incident

At anchor or underway

Speed at time of incident

Main engine propulsion

Propeller(s)

Type:

How many:

Rotation:

Rudders

Type:

How many:

Bow/stern thrusters fitted

Engine(s) setting

Bridge control

State which anchor involved

Amount/Size of cable lost

Slipped or parted (*state*)

If slipped why

If anchoring, how much cable was on deck prior to letting go

Other authorities contacted

Time:

Time:

List relevant machinery/equipment defects

Please sign and date this Section **and continue to section 11:**

Name:	Date:	Signature:
-------	-------	------------

**Section 8 – Pollution:**

Type of pollution

Cause of pollution

Estimate of amount of pollutant spilled

Geographic extent of pollution

Fuel Grade

Immediate actions taken

Other authorities contacted

Type of response equipment used

Extent of any damage to vessel

Time:	
Time:	

Please sign and date this Section **and continue to section 11:**

Name:	Date:	Signature:
-------	-------	------------

**Section 9 - Accident Report Form**

Person Reporting the Accident:

Title/Rank:

Name:

Address:

Occupation:

The Person having the accident:

Title/Rank

Name:

Address:

Occupation:

About the accident:

Where did it happen? What time did it happen? How did it happen?

Details of any injuries:

**Section 11 Free Text Report:**

Describe in your own words how the incident developed. Please use any charts, drawings, sketches photographs of other evidence that may assist in recreating the event and use additional blank sheets if required. The description should include:

- A factual narrative of events including cause (and timings if possible).
- Any material damage sustained.
- Any pollution.
- Any actions you have taken or recommendations you or others might have.
- Details of any injuries sustained.

If there is insufficient space above to complete your description, please use additional sheets and fasten them securely to this form. Please indicate here the number of continuation sheets you have used:
